

Paredevil, what's the sit-rep?

If we don't find a way to put the Hulk down fast, he's gonna tear right through the *White House!*

It's Spider-Man, Cap, he's... he's *dead!*

Don't worry, gentlemen, I can handle this!

After all, there's more than one way to soothe a savage beast.

Okay, wait. Time out for a second.

This is totally retarded.

What?

First of all, you're not part of this mission. And second, you're, like... horribly out of character.

Hulk smooch!

You're supposed to be the Invisible Woman, not Mrs. Skank-tastic.

You don't know what you're talking about, dude. My older brother *interned* for the Fantastic Four last year. He said Sue Richards hits on anything that moves.

And just so you know, it's not cool to use "retarded" in a pejorative manner. My cousin's girlfriend is a retard.

Hey, can you, um... send me that skin?

All right, this campaign is obviously a bust, so--

Alex Wilder, get off that thing now!

Sorry, boys...
